

## Seasonal Technician II – Ecological Silviculture

The Jones Center at Ichauway is currently accepting applications to fill a temporary full-time (40 hours per week), Seasonal Technician II position in the Ecological Silviculture Research Lab.

**Job Description:** The start date is flexible, but we desire to fill the position as soon as possible. The length of the appointment is four months but could be extended based on performance and project needs. The employee will work with the Silviculturist (Joshua Puhlick; <https://lab.jonesctr.org/puhlick/>) on site productivity of longleaf pine plantations and adapting naturally-regenerated woodlands to climate change. Winter–spring 2025 may involve measuring 11-year-old planted longleaf pines on 1/10-acre plots. Lab work will include grinding soil organic horizon samples, and sieving and weighing mineral soil samples.

This work will occur at the 28,500-acre research center, which is in southwestern Georgia between Albany and Bainbridge. The Jones Center’s research, education, and conservation programs focus on ecology and natural resource management. The site includes 16,000 acres of longleaf pine forests, over 1,000 acres of wetlands, and 26 miles of stream and river ecosystems. For more information visit our website: [www.jonesctr.org](http://www.jonesctr.org).

**Job Requirements:** The successful candidate must have a strong desire to work in both the field and laboratory settings. Experience with field and laboratory work is preferred. The ability to work and communicate well with others is required.

**Qualifications:** A Bachelor of Science degree in Forestry or a related field is preferred. Applicants must be eligible to work in the United States.

**Wages:** \$15.00 per hour with on-site housing provided.

**To Apply:** Combine a cover letter, resume with GPA and degree information, and the contact information (name, title, affiliation, and email address) of three references in a single pdf document. The document should be emailed to [jobs@jonesctr.org](mailto:jobs@jonesctr.org), [joshua.puhlick@jonesctr.org](mailto:joshua.puhlick@jonesctr.org) and [scott.taylor@jonesctr.org](mailto:scott.taylor@jonesctr.org) with the subject line: **Seasonal Technician II – Ecological Silviculture**.

Specific questions regarding the position should be directed to the lab’s Research Associate, Scott Taylor. Review of applications will begin immediately and will continue until the position is filled.

The Jones Center at Ichauway aspires to fully embrace equity, diversity, and inclusion.
